

Lail Vineyards

BLUEPRINT SAUVIGNON BLANC VINTAGE 2017, NAPA VALLEY

ACCOLADES

93 Points

“Aromatic and distinctive, with rich notes of honeycomb, coconut oil and lanolin that give way to fresh apricot and mango flavors, freshened by a crisp jolt of acidity akin to a squeeze of lime juice. Despite the lush, refined flavors and smooth body, the finish is pure refreshment, lingering endlessly. Drink now. 1,065 cases made.”

—*MaryAnn Worobiec, Wine Spectator Magazine*

93 Points

“Robin Lail’s 2017 Sauvignon Blanc Blueprint is absolutely gorgeous. Fresh, crisp and beautifully delineated, with tons of varietal character, the Blueprint screams with varietal character. This is such a classy and polished wine. The 2017 is a real overachiever. Vineyard sources are Totem, Farella and Rewa.”

—*Antonio Galloni, Vinous Media*

93 Points

“Glorious and rich with sliced-apple, lemon and crushed-stone character. Full and dense with freshness and beauty. A blend of sauvignon from Coombsville and Yountville.”

—*James Suckling, JamesSuckling.com*

93 Points

“Always impressive, this is a fleshy, boldly structured white wine, offering a tremendous palate of exotic flavor. Lemon rind, wet stone, peach and a grittiness of background oak mingle effortlessly within a moderate richness of balanced complexity.”

—*Virginie Boone, Wine Enthusiast Magazine*

92 Point

“The 2017 Sauvignon Blanc Blueprint from Lail Vineyard is one of the gems out there and is well worth your time and money. This beauty has terrific notes of crushed lemon and white flowers as well as medium to full-bodied richness, impressive minerality, good concentration, and bright, racy acidity that cuts a fine path on the palate. Made in an age worthy, Bordeaux Blanc style, drink it any time over the coming 7-8 years.”

92 Points ☼☼

“A consistent producer of top-flight Sauvignon Blancs year in and year out, Lail has once again come up with a highly recommended example that is a serious expression of what the variety can offer. It hits all the bases as far as deep fruit, subtle grassiness, judicious oak and impeccable balance go, and, while not at all difficult to access at the moment, it conveys a sense of structured strength that in no uncertain terms proclaims that it will only get better over the next half-decade or more. That is not to say that it is anything less than delicious right now, and it will make special drinking with dishes as rich as lobster in sauce for those who understandably see no reason to wait.”
