## MOLE HILL CABERNET SAUVIGNON VINTAGE 2019, HOWELL MOUNTAIN, NAPA VALLEY

### WINEMAKER NOTES

“Vintage 2019 was pure beauty in Napa Valley, with an easy growing season delivering grapes with wonderful balance and intensity. For this vintage of Mole Hill, tantalizing aromas of dark chocolate, espresso, and black cherry lead into broad and layered wild blackberry, boysenberry, and black raspberry flavors. It is framed by classic briar, vanilla cream and mocha notes supported by elegant and fine tannins and taut acidity. This is a classic expression of Howell Mountain and the Mole Hill Vineyard.”

—*Philippe Melka & Maayan Koschitzky, Winemakers*

### MOLE HILL IS THE CROWN JEWEL OF LAIL VINEYARDS

It is an ultra-luxury wine bordering on decadent with its showcase of Howell Mountain seductive aromatics, velvety palate of fascinating complexity and a lingering finish which remains when you set down your glass. Production is small and demand is big. Produced only from the best growing seasons, this serious wine also has a sense of humor. Each year the path of the mole changes on the label designating a new vintage for your collection.

PARTNERS | Robin Daniel Lail, Erin Lail, Shannon Lail

VARIETAL | 100% Cabernet Sauvignon

VINEYARD | Mole Hill Vineyard

BARREL REGIMEN | 19 months in French oak; 75% new

WINEMAKER | Philippe Melka & Maayan Koschitzky

### MOLE HILL STORY

Mole Hill was named in homage to a wine created by Robin’s father, famous vintner John Daniel, Jr.

The story goes that when Daniel’s great friend, Louis Martini, Sr., made a wine in the 1940s, the irony of him labeling it Mountain Red was not lost on Daniel because Martini’s wine was from a rolling hillside vineyard versus the precipitous mountain vineyards of Europe. A brilliant man with a celebrated sense of humor and a particular love of puns, Daniel responded with Inglenook Mole Hill Red, whose whimsical label featured a very cute mole with a magnifying glass checking a small pile of dirt. The overtly flowery back label concluded with “...and this is a wine you will truly GO FER!”

In 1996, the Lail family acquired a special vineyard site high atop Howell Mountain, and named it Mole Hill. The vineyard’s west-facing gentle slope has shallow soils with rocks that rise to the surface like cream in coffee, creating a spartan home for the vines and generating a concentration of flavors in the grapes. These thin, rocky and dry soil conditions create Cabernet Sauvignon with firm structure, incredible varietal intensity, and excellent aging properties.

We now make a Mole Hill out of a mountain!
