GEORGIA SAUVIGNON BLANC VINTAGE 2022, NAPA VALLEY

ACCOLADES

95 Points

“Coming from a part of the old Napanook Vineyard in Yountville, the 2022 Sauvignon Blanc Georgia is all varietal from the Totem Estate Vineyard just outside of Yountville. It’s a much more serious white offering beautiful aromatics of ripe melon, pineapple, honeyed flowers, and subtly spicy, musky nuances. These carry to medium-bodied white that has rock-solid concentration, a balanced, layered mouthfeel, and a great finish. While it’s brought up in 30-40% new barrels, you wouldn’t know it from tasting it.”

94 Points

“The 2022 Sauvignon Blanc Georgia is terrific, especially in a vintage marked by severe drought. Exotic flowers, chamomile, spice, lemon confit, and apricot are some of the notes that grace this textured, creamy Sauvignon Blanc. Vinification in oak and some lees-stirring build resonance. What a beautiful wine.”

WINEMAKER NOTES

“Georgia Sauvignon Blanc 2022 is medium straw in color. Intense and lifted, the aromas burst forth with vanillin, white flowers and citrus zest notes. Flavors of white peach, dried apricot and tangerine envelop the palate. There are the hallmark Georgia expressions of minerality, white truffle and toasted brioche filling out the zingy and energetic finish. The oak is beautifully integrated, framing and enhancing this gorgeous wine like a fine painting.”

GEORGIA STORY

“Georgia is grown on our three-acre, dry-farmed estate vineyard in Yountville, called Totem. This exquisite, Graves-style (dry white Bordeaux) Sauvignon Blanc was fermented and aged in 70% new French oak barrels. It displays unprecedented depth and complexity, amazing texture, and a long lingering finish. Lail Vineyards was the first winery in the New World to produce a Sauvignon Blanc in this complex and captivating style, beginning with the 2002 vintage. The proprietary name celebrates the first member of the sixth generation of our family’s winemaking in Napa Valley, Georgia Eileen. It has been called by a leading wine writer ‘...California’s most complex and multi-dimensional Sauvignon Blanc.’”
