TOP 100 WINES OF THE YEAR 2025

"The 2023 Sauvignon Blanc Georgia is magnificent. In fact, it is one of the absolute finest editions of this wine I have ever tasted. Soaring aromatics meld into lemon confit, sage, mint and white pepper, all beautifully lifted in the glass. A dollop of Sauvignon Musqué in the blend adds a gorgeous exotic flair. The clean, saline finish is a thing of beauty. Unforgettable."

97 Points

"The 2023 Georgia Sauvignon Blanc opens with a vivid burst of citrus aromatics—lemon zest, lime blossom, and preserved Meyer lemon peel—layered over a gentle framework of warm oak and subtle vanilla cream. Nuances of white peach, crisp green apple, and Anjou pear follow, lifted by white acacia and a wisp of crushed fennel seed. With time in the glass, accents of beeswax, chamomile, and struck flint emerge, adding aromatic intrigue. The medium-bodied palate is sleek and finely textured, with a supple entry that builds into racy, mouthwatering acidity and an almost tactile tension, like biting into a just-ripened lemon and cool, crunchy apple laced with sea salt. A silken lees-derived richness balances the wine's brisk freshness, while flavors of grilled grapefruit, lime curd, and toasted almond echo on the long, resonant finish. Grapes are sourced entirely from Lail's estate, Totem Vineyard, in Yountville, then fermented and aged for 20 months in French oak barrels."

GEORGIA STORY

"Georgia is grown on our three-acre, dry-farmed estate vineyard in Yountville, called Totem. This exquisite, Graves-style (dry white Bordeaux) Sauvignon Blanc was fermented and aged in 70% new French oak barrels. It displays unprecedented depth and complexity, amazing texture, and a long lingering finish. Lail Vineyards was the first winery in the New World to produce a Sauvignon Blanc in this complex and captivating style, beginning with the 2002 vintage. The proprietary name celebrates the first member of the sixth generation of our family's winemaking in Napa Valley, Georgia Eileen. It has been called by a leading wine writer '...California's most complex and multi-dimensional Sauvignon Blanc.'"
